1 Positive COVID-19 Team Member at The Glen

Willow Valley Communities reports with great sorrow the death of a Lakeside Resident who passed away there on July 28. The death is COVID-19 attributed. We ask you to please join with the entire Community in mourning the passing of this Resident.

One Resident at The Glen has tested positive for COVID-19.

Two Team Members at Lakeside have tested positive for COVID-19. Their last days of working at Willow Valley Communities are:

- TM #1: July 23, 2020
- TM #2: July 27, 2020

One Team Member at The Glen has tested positive for COVID-19. Their last day of work at Willow Valley Communities was July 10, 2020.

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Resident and Team Members may have had exposure that requires additional risk mitigation.

Other Residents (and/or their POAs) residing in the same community units as the COVID-19 positive Resident were notified and are being closely monitored and continually assessed for signs and symptoms of COVID-19. All Team Members working in the affected community unit have been educated about specialized risk mitigation equipment and protocols, and will follow government health agency protocols for self-monitoring and daily screening.

We will continue to work with diligence and resolve to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, the most current recommended protocols and guidelines of the expert authorities in the medical and scientific communities.
