

# *Special Edition: Universal Testing*

## **COVID-19 Advisory**

**To:** Willow Valley Communities Residents  
**From:** Dennis W. Griest, President and CFO, Willow Valley Living  
**Date:** October 30, 2020  
**Subject:** COVID-19 Positive Team Members via Universal Testing

---

### ***Special Edition*** **Universal COVID-19 Testing**

Two (2) Team Members have tested positive for COVID-19 through universal testing. The Team Members' departments, work locations, and most recent days worked at Willow Valley Communities are listed below.

- Team Member #1: Culinary Services; Lakeside; most recent day worked: 10/29
- Team Member #2: Nurse; Lakeside; most recent day worked: 10/23

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Team Members may have had exposure that requires additional risk mitigation. Willow Valley Communities has implemented additional precautionary measures and enhanced monitoring within the areas in which the COVID-19 positive Team Members worked.

Residents (and/or their POAs) residing in the supportive living community were notified and are being closely monitored and continually assessed for signs and symptoms of COVID-19. Team Members working within affected communities have been educated about specialized risk mitigation equipment and protocols, and will follow government health agency protocols for self-monitoring and daily screening.

We will continue to work with diligence and resolve to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, the most current recommended protocols and guidelines of the expert authorities in the medical and scientific communities.
