Dining Information for Thanksgiving

Thanksgiving is Thursday, November 26, and for the first time in 35 years, we are saddened to be unable to welcome family and guests in our dining rooms. We are, however, offering a few additional options for those who plan to pick up meals, dine with us or who may be entertaining a small family group in their apartment. **Please read the following options carefully.**

- Fill out the menu for your guest(s) and bring it with you to the dining room on Thanksgiving Day.
- Our culinary team will fill your guest orders when you come to pick up your meals.
- Guests are NOT permitted in public areas or in the dining venues.

Thanksgiving Meal Catered Option

In order to adequately plan for these options, we need to know who will be utilizing our services on Thanksgiving. **Please fill out this form and return it to the host stand in your dining room by Friday, November 20.** For further information, contact a Culinary Services Team Leader in your community.

While the holidays will be very different this year, we hope to provide you with delicious food as we give thanks for our many blessings. Happy Thanksgiving.
