

COVID-19 Advisory

To: Willow Valley Communities Residents
From: Dennis W. Griest, President and CFO
Date: December 18, 2020
Subject: COVID Attributed Death
COVID-19 Positive Team Member (1)

It is with great sorrow that Willow Valley Communities reports the death of a Manor Campus Resident. The Resident, whose COVID positive status was previously reported in a COVID-19 Advisory, passed away at Penn Medicine/LGH hospital. The death is COVID-19 attributed. We ask you to please join with our entire Community in mourning the passing of this Resident.

A Culinary Services Team Member at North has tested positive for COVID-19. Their most recent day worked at Willow Valley Communities is 12/3.

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Team Member may have had exposure that requires additional risk mitigation. Willow Valley Communities has implemented additional precautionary measures and enhanced monitoring within the areas in which the Team Member worked.

Team Members working within the affected areas have been educated about specialized risk mitigation equipment and protocols, and will follow government health agency protocols for self-monitoring and daily screening.

We will continue to work with diligence and resolve to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, the most current recommended protocols and guidelines of the expert authorities in the medical and scientific communities.
