

COVID-19 Advisory

To: Willow Valley Communities Residents
From: Dennis W. Griest, President and CFO
Date: December 22, 2020
Subject: COVID Attributed Death
COVID-19 Positive Residents (3)
COVID-19 Positive Team Members (5)

It is with great sorrow that Willow Valley Communities reports the death of a Manor Campus Resident. The Resident, whose COVID positive status was previously reported in a COVID-19 Advisory, passed away in the COVID-19 Unit at The Glen. The death is COVID-19 attributed. We ask you to please join with our entire Community in mourning the passing of this Resident.

A Resident at Spring Run has tested positive for COVID-19. After becoming ill, the Resident was transported to Penn Medicine/LGH hospital, where they tested positive. The Resident has returned to Willow Valley Communities and is presently recovering in the COVID unit at The Glen.

A Resident at the Manor (building) has tested positive for COVID-19. The source of the exposure is known and is not related to Willow Valley Communities. The Resident is recovering in isolation in their own apartment.

A Resident at North has tested positive for COVID-19 after becoming ill. The Resident is recovering in isolation in their own apartment.

Five (5) Team Members have tested positive for COVID-19. The Team Members' departments, work locations, and most recent days worked at Willow Valley Communities are listed below. Please note that three of the five were identified through universal testing, as noted below.

- Team Member #1: Culinary Services at Lakeside; most recent day worked: 12/18
- Team Member #2: Housekeeping at Manor; most recent day worked: 12/16

Through Universal Testing:

- Team Member #3: Culinary Services at The Glen; most recent day worked: 12/17
- Team Member #4: Nursing at The Glen; most recent day worked: 12/18
- Team Member #5: Administration at The Glen; most recent day worked: 12/17

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Residents or Team Members may have had exposure that requires additional risk mitigation. Willow Valley Communities has implemented additional precautionary measures and enhanced monitoring within the communities in which the COVID-19 positive Residents live and in which the Team Members have worked.

(Over, please)

Team Members working within the affected areas have been educated about specialized risk mitigation equipment and protocols, and will follow government health agency protocols for self-monitoring and daily screening.

We will continue to work with diligence and resolve to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, the most current recommended protocols and guidelines of the expert authorities in the medical and scientific communities.
