Communiqué

Manor Building | Partial Re-opening

After a careful review of the number of COVID-19 cases at the Manor Building, and in acknowledgement of Resident compliance with the recent two week restrictions, we are pleased to announce that most of the restrictions that were recently imposed at the Manor Building will be lifted. Effective December 14, 2020, the following items will re-open with masking and social distancing still required:

- Common spaces such as the library, woodshop, C/D Connector, etc. will re-open. *(Please note Fitness Centers continue to remain closed in all locations)*
- Routine services such as housekeeping and maintenance services will resume.
- Manor Residents will be able to resume visiting one another and will be permitted to travel to the other Communities.

Please note: Culinary Service will continue to deliver meals through Sunday, December 20, 2020; therefore, pick-up dining will resume on Monday, December 21, 2020. (Please see additional article in this Communique for more information about Culinary Services over the upcoming holidays.)

Thank you to all Manor Residents for cooperation during the recent closure of many of our areas to help mitigate the spread of COVID-19.

Weekly TV Broadcast is an Important Source for COVID-19 Information

The weekly *COVID-19 Update* TV broadcast is a key source of information, updates, and answers related to COVID-19 at Willow Valley Communities. The content of the weekly show is one of the important ways that Willow Valley Communities' leadership conveys need-to-know information about the virus and our processes, procedures, and protocols employed to mitigate risk of the disease. It's also the place where we answer many questions so that Residents in all of our Communities have access to the same information.

Live broadcasts direct to your television via Campus TV take place every Thursday at 4:00 PM. The program is then rebroadcast at 5:45 PM and 10:30 PM the same evening so all Residents can watch. These reports provide COVID-19 current news, data, updates, and changes to policies and procedures at Willow Valley Communities. Tune in to WVTV on Campus TV 4 | Comcast 822 each Thursday to stay informed.
