## Coronavirus Update

### Valentine's Formal Night

A special Formal Night menu is planned for Friday, February 12. In-house dining is not currently available so we are not requiring advance registration at Manor, Lakes and North.

The special Valentine menu will be offered at Manor, Lakes, North and Four Seasons and can be found on the Resident Intranet → Culinary Services → Menus. The \$4 premium meal upcharge applies to this dinner (excluding those with the 2-meal-per-day contracts).

We do expect that a higher than normal number of Residents will join us that evening and would like to remind you to follow the current building pick-up schedules. By doing so, we can minimize wait times and remain socially-distanced, both in the dining venues and while waiting to get in. The building pick-up times are listed below for your convenience.

Meal pick-up for reservations will be scheduled for Friday, February 12, between 5:00 PM – 7:00 PM.

Local Table Curbside is not available on Friday, February 12, but will be offering a Valentine Brunch To-Go menu on both Saturday, February 13 and Sunday, February 14. Please reference the Resident Intranet → The Clubhouse → Local Table for the menu and curbside pick-up instructions.

While this Valentine holiday continues to be very different, we hope to provide you with delicious food as we celebrate the day of love.
