Announcing Independent Living COVID-19 Vaccination Clinics

Willow Valley Communities is pleased to announce COVID-19 vaccination clinics for all Independent Living Residents. The following table provides additional details:

First Dose Vaccine Clinics

Date	Community	Vaccine	Provider
February 5, 2021	Manor Building	Pfizer	Omnicare/CVS
February 18, 2021	Lakes Campus	Moderna	Phoebe Pharmacy
February 18, 2021	Manor Campus	Moderna	Phoebe Pharmacy
February 19, 2021	Lakes Campus	Moderna	Phoebe Pharmacy
February 19, 2021	Manor Campus	Moderna	Phoebe Pharmacy

Manor Building Residents received a detailed communication about the clinic held on February 5 earlier in that week. Similar information about specific communities/buildings, times and locations, along with further instructions and an advance copy of the appropriate consent form, will be provided to affected Residents closer to the clinics scheduled for February 18 and 19. Residents other than those residing in the Manor Building should please save the dates according to the schedule printed above.

Residents who receive the first dose of the vaccine here at Willow Valley Communities will receive the corresponding second dose on our campuses. Dates of the second dose clinics will be communicated in the future.

Please rest assured that Willow Valley Communities will provide the additional information about the scheduled clinics to affected Residents at the appropriate time. There is no need to reach out for that information; it will be provided once it is known.
