

COVID-19 VACCINE CLINIC

To: Manor Building Residents
From: Dennis W. Griest, President and CFO
Date: February 3, 2021
Subject: COVID-19 Vaccination Clinic at Willow Valley Communities

Willow Valley Communities is pleased to announce the first of our COVID-19 vaccination clinics for Independent Living Residents. The COVID-19 vaccine will be administered to Independent Living Residents in phases, by community. **You are receiving this information because the clinic for your community has been scheduled, as follows:**

COVID-19 Vaccination Clinic (Pfizer)
Manor Building Residents
Friday, February 5, 2021
Manor Orr Auditorium

What do Residents need to do?

1. Complete the attached Registration and Consent Form (including Medicare and Secondary Insurance Information) prior to arriving at the clinic.
2. Bring the completed form to the “check-in” area located in the Manor lobby (towards the dining room).
3. Please do not arrive prior to your building’s scheduled time.
4. Wear a short sleeve shirt to the clinic for easier administration of the vaccine. Maintain proper social distancing and masking requirements the entire time you are at the clinic.

Listed below is the assigned time for your building.

Friday, 2/5/2021	Building
10:30 AM-11:30 AM	A Building
11:30 AM-12:30 PM	B Building
12:30 PM-1:30 PM	C Building
1:30 PM-3:00 PM	D Building
3:00 PM-4:00 PM	E Building

Information regarding your second dose of the COVID-19 vaccine will be provided in a future communication.

Please note: If you received the first dose of the COVID-19 vaccine through another clinic at WVC or from another location, the information above does not pertain to you. You will need to get your second dose at the same site at which you obtained the first vaccine to ensure it is being given in the recommended safe time frame and that the dosage and manufacturer are consistent.
