Communiqué

Covid-19 Updates

Please note the following announcements and reminders as they relate to Covid-19.

A. Clarification of WVC Masking Protocol: Who should be wearing a mask on WVC campuses?

A mask offers protection against the spread of COVID-19 and can be worn as a preventative measure by anyone at their preference. The WVC mask protocol is intended to protect the vulnerable population living on our campuses.

WVC's current mask protocol:

Independent Living	
Fully Vaccinated Residents and Resident Guests	Mask is optional
Fully Vaccinated Team Members in Independent Living areas	Mask is optional after proof of vaccination is submitted to the Resident Nursing Office
Unvaccinated Residents, Resident Guests, and Team Members	Mask is required
On-site retail locations: vaccinated employees	Mask is optional after proof of vaccination is submitted to the Resident Nursing Office
Contractors and Vendors	Mask is required
WVC Transportation	
Residents and Team Members	Mask is required for all riders on any WVC transportation service provided to Residents
Supportive Living	<i>Note: Supportive Living protocols are regulated by PA Department of Health (DOH)</i>
Team Members, Visitors, Contractors, Vendors	Mask is required – type of mask depends upon vaccination status
Residents	Mask is required when outside of their room. When Resident is in their private room, the mask is recommended and encouraged in the presence of visitors, Team Members, and other Residents.

(over please)

B. COVID-19 Advisories Remain in Use to Announce New Cases

Please be advised that the familiar “COVID-19 Advisory” is still being used to announce new positive cases of COVID among Residents or Team Members. When issued, Advisories are posted to the COVID page of the Willow Valley Communities website (www.willowvalleycommunities.org/coronavirus). We acknowledge that no Advisory has been published recently; this is because no recent cases have emerged. Please know that this Advisory tool is still the method by which any new cases will be communicated to Residents.

C. Do we have any active cases of COVID-19 on campus?

As of this printing, no active cases of COVID-19 are present among WVC Residents or Team Members. The most recent positive case was June 22.

D. Will the COVID-19 Update broadcast be returning in the fall?

We are pleased to announce that a modified version of the COVID-19 Update will return soon. The Update will be in the form of a pre-recorded program that will play at scheduled and announced times on our in-house channel. Via the program, Pam Kinsey will provide details of our WVC case counts, community data, current WVC campus protocols, clinical COVID-19 information, and answers to your questions. The *Weekly Insider* will provide specific details about the times and channels for airing of the broadcast.

E. What is the current Team Member vaccination rate?

WVC will announce the vaccination rate during the next broadcast of the COVID-19 Update, and then will continue to provide the percentage intermittently.

Denny — Dennis W. Griest, President & CFO

Local Table Update

The team at Local Table would like to thank you for your patronage since opening on June 4. We look forward to expanding our days of operation in the coming months as our team grows, but wanted to take this opportunity to share a change to our Sunday hours of operation. Beginning on Sunday, August 1, Local Table will be open on Sundays from 4:00 PM – 7:30 PM. You may begin making Reservations via Open Table or by calling the Clubhouse Concierge. We look forward to your next visit to Local Table at the Clubhouse!

Josh — Josh Manny, Executive Chef, Local Table

Updated Exhibit A September 1, 2021

Please note that an updated Exhibit A will be distributed to Resident mailboxes on August 2. Two changes are incorporated that are effective September 1, 2021:

- The Transportation section of Exhibit A has been modified to include Willow Street Medical Offices in Zone 0, resulting in a reduction of charge for this service which had been in Zone 1.
- The Guest Suites at Willow Valley Communities section was updated to indicate that rates are available by contacting The Guest Suites at Willow Valley Communities.
