

COVID-19 Advisory

To: Willow Valley Communities Residents
From: Dennis W. Griest, President and CFO, Willow Valley Living
Date: August 13, 2021
Subject: COVID-19 Positive Residents (2)

Two (2) Residents at Lakeside have tested positive for COVID-19. Both Residents have been transferred to the COVID-19 Unit at The Glen.

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Residents may have had exposure that requires additional risk mitigation. Willow Valley Communities has implemented additional precautionary measures and enhanced monitoring within the communities in which the COVID-19 positive Residents live.

Team Members working within the affected areas have been educated about specialized risk mitigation equipment and protocols, and will follow government health agency protocols for self-monitoring and daily screening.

We will continue to work with diligence and resolve to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, the most current recommended protocols and guidelines of the expert authorities in the medical and scientific communities.
