Communiqué

Evening Shuttle Availability

The transportation department is pleased to announce that effective August 1, the Evening Shuttle service will resume operations. The additional hours, to what was previously referred to as the "Clubhouse Shuttle," will be available 7 days a week, from 4 PM until 9 PM. The new Evening Shuttle hours have been added to coincide with the change of the Clubhouse hours. Please note that the shuttle will no longer run on Sundays from 11:30 AM – 4 PM.

New Transportation brochures are available at the Concierge Desks and on the Resident Intranet.
