COVID-19 Briefing with Pam Kinsey

In recent weeks, the COVID-19 pandemic has changed course due in large part to the Delta variant. To increase our communication regarding the Willow Valley Communities COVID-19 action plan, we are introducing a modified broadcast beginning this Thursday, August 5, 2021. The next briefing will be on August 12, 2021 and every other week after the August 12 show. The COVID-19 Briefing will be a pre-recorded message from Pamela Kinsey, Infection Prevention Manager, and will be available to view on Entertainment Channel | CampusTV 4 | Comcast 956 (formerly 822) at 12:30 PM, 4:00 PM and 10:30 PM on Thursdays. This briefing will provide details regarding: positive cases, community infection rates, vaccination rates, protocol updates, and general COVID-19 information. The Weekly Insider will provide scheduling details.

Craig— Craig Thompson, Executive VP of Residential Operations

Comcast and WVTV In-House Channels

After working with Comcast for several months, the equipment has been installed and configured for Residents to access the in-house channels.

On Wednesday, August 4 at 9 AM, the in-house channels will be available to all Residents with Comcast services.

The new WVTV channel lineup through Comcast is as follows:

- Entertainment Channel – Comcast 956 (formerly 822)
- Information Channel – Comcast 957 (formerly 820)
- Culinary Channel – Comcast 958 (formerly 821)

Residents with CampusTV, there is no change to the in-house channels.

Thank you for your patience as we worked through this process with Comcast.

Bob— Bob Davis, Senior Director of Information Technology
