

## COVID-19 Advisory

**To:** Willow Valley Communities Residents  
**From:** Dennis W. Griest, President and CFO  
**Date:** October 5, 2021  
**Subject:** COVID-19 Positive Residents (6)  
COVID-19 Positive Team Members (2)

---

A Resident at Lakes (building) has tested positive for COVID-19. The Resident is in isolation in their own apartment.

A Lakes Resident has tested positive for COVID-19. Prior to the positive diagnosis, the Resident was sent to Penn Medicine/LGH hospital for illness. The Resident was admitted to the hospital. There, a COVID-19 test was administered and the positive result was found. The Resident remains at the hospital.

While visiting away from Willow Valley Communities, a Lakes (Midrise) Resident has tested positive for COVID-19. The Resident intends to remain away from campus for an extended period.

A Lakes (building) Resident has tested positive for COVID-19. The Resident is the spouse of another Resident who was previously reported as COVID positive. The Resident remains in isolation.

A Resident at Providence Park has tested positive for COVID-19. The Resident remains in isolation in their own home.

A Manor (building) Resident has tested positive for COVID-19. Prior to the positive diagnosis, the Resident was sent to Penn Medicine/LGH hospital for illness. There, a COVID-19 test was administered and the positive result was found. The Resident remains at the hospital.

Two (2) Team Members have tested positive for COVID-19. The Team Members' departments, work locations, and most recent days worked at Willow Valley Communities are listed below.

- Team Member #1: Culinary at North; most recent day worked: 9/27
- Team Member #2: Administration at Lakes; most recent day worked: 9/29

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Residents or Team Members may have had exposure that requires additional risk mitigation.

We will continue to work with diligence to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, current recommended protocols and guidelines from expert authorities in the medical and scientific communities.
