

## COVID-19 Advisory

**To:** Willow Valley Communities Residents  
**From:** Dennis W. Griest, President and CFO, Willow Valley Living  
**Date:** October 12, 2021  
**Subject:** COVID-19 Positive Residents (6)

---

A Manor (building) Resident has tested positive for COVID-19. The Resident is isolating in their own apartment.

A Manor (building) Resident has tested positive for COVID-19. The Resident was transported to Penn Medicine/LGH Hospital emergency room due to illness, but has since returned to Willow Valley Communities where they are isolating in their own apartment.

Two Residents at SouthPointe have tested positive for COVID-19. The Residents, a couple, are isolating in their own home.

A Resident at SouthPointe has tested positive for COVID-19. The Resident is isolating in their own home.

A Resident at Willow Gables has tested positive for COVID-19. The Resident was initially in isolation in their own home. Subsequently, the Resident was transported to Penn Medicine/LGH Hospital emergency room due to increased illness.

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Residents may have had exposure that requires additional risk mitigation.

We will continue to work with diligence to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, current recommended protocols and guidelines from expert authorities in the medical and scientific communities.
