

COVID-19 Advisory

To: Willow Valley Communities Residents
From: Dennis W. Griest, President, Willow Valley Living
Date: January 14, 2022
Subject: COVID-19 Positive Residents (6)
COVID-19 Positive Team Members (33)

A Manor (building) Resident has tested positive for COVID-19. The Resident, who is the spouse of another Resident previously reported as COVID positive, is in isolation in their own apartment.

A Lakes (building) Resident has tested positive for COVID-19. The Resident is in isolation in their own apartment.

A Providence Park Resident has tested positive for COVID-19. The Resident is in isolation in their own home.

A Garden Apartments Resident has tested positive for COVID-19. The Resident has been out of state since late December, so there is no exposure to Willow Valley Communities.

A Resident at Meadow Ridge has tested positive for COVID-19. The Resident has been transferred to the COVID Unit at The Glen.

A Resident at The Glen has tested positive for COVID-19. The Resident has been transferred to the COVID Unit at The Glen.

Willow Valley Communities is following protocols for contact with appropriate government agencies and is taking every step possible to limit further exposure. Willow Valley Communities implemented its contact tracing protocols to identify any known persons (Residents and/or Team Members) with whom the affected Residents or Team Members may have had exposure that requires additional risk mitigation.

We will continue to work with diligence to protect Willow Valley Communities' Residents and Team Members by implementing and adhering to, or exceeding, current recommended protocols and guidelines from expert authorities in the medical and scientific communities.
