COVID-19 Testing Center

There has been a significant increase in the Resident COVID-19 testing at the testing center. In order to continue offering testing, the protocols have been updated.

WVC Testing Center Protocols

- Testing is offered no sooner than 5 days past a known exposure.
- Residents are not permitted to wait in the center for results.
- Residents will be called with results ONLY if the test is positive
 - ◊ The call is made within one hour if the test is positive
 - ◊ If you have not received a call within an hour, then your test was negative
- A Resident with SYMPTOMS should contact Residential Nursing; they should not go to the testing center.
 - ◊ Residential Nursing will arrange testing for symptomatic Residents.
 - ◊ Residents have not been compliant with following these instructions; therefore, the testing center at The Glen is now closed to Residents.

Renaissance

Entertainer's Series Subscription: Due to the late arrival of the Spring 2022 *Renaissance* in Resident mailboxes, we are extending the deadline for reservation forms to be returned to the Cultural Center Theater Box Office until Friday, January 14, 2022. Arrivals after that date will be accommodated only after all other reservations have been fulfilled.

Risk Mitigation: Again, for the Spring Season, Cultural Center events will be limited to Residents and SmartLife Members only; outside guests will not be permitted. Vaccination will be required to attend the performances and will be verified when tickets are purchased. If you do not order your ticket in advance, be prepared to show your vaccination card at the ticket window.

Camp Willow: On page 14 of the Spring *Renaissance*, we advertise for Camp Willow tentatively scheduled for June of this year. There is no guarantee that Camp Willow will proceed, as much will depend on the COVID-19 pandemic. We have to work months in advance to include this information in the *Renaissance* and at the time of submission, decided to be optimistic in hopes that six months from now we will be in a more positive position. We will keep you posted as to the status of this much loved program.

North "To-Go Breakfast"

Effective Wednesday, January 5, 2022, "To-Go" Breakfast meals will be unavailable at North. Due to unprecedented staffing shortages, we are not able to offer this service. We will continue to monitor this situation and resume when we can. We deeply apologize for this inconvenience.
